

Know your movie film

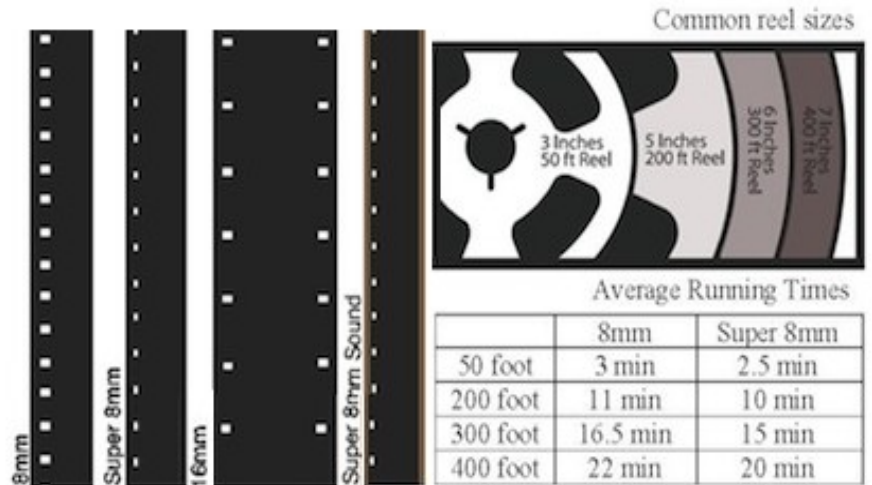

We do not capture sound from any film reels

Convert your 8mm and Super 8 movies to long-lasting DVD's or digital files!

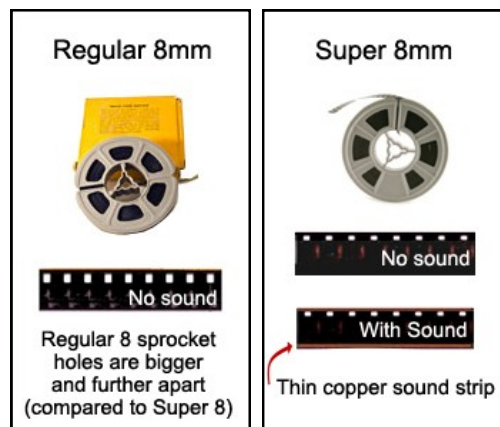

We do not capture sound from any film reels

We transfer 8mm, Super 8mm and Super 8mm Sound film

Formats converted to: .MP4 .AVI .MOV

Pricing:

- 3" reels (50') = \$12.99 per reel
- 5" reels (200') = \$50.99 per reel
- 7" reels (400') = \$99.99 per reel

We offer volume discounts

- Our pricing is among the lowest in the industry and you pay for only what you actually have, unlike the "fill a box" companies out there.
- Turn-a-round time: Usually 14-21 BUSINESS DAYS from the time we receive your order.
- Backup: We archive all orders for one year and access these files only at the request of the customer for additional copies in the future.
