**Pricing:**

- 3" reels (50') = \$14.50 per reel
- 5" reels (200') = \$58.00 per reel
- 7" reels (400') = \$116.00 per reel

**We offer volume discounts**

**Background music can be added**

**We do not capture sound from any film reels**

- Our pricing is among the lowest in the industry and you pay for only what you actually have, unlike the "fill a box" companies out there.
- Turn-a-round time: Usually 7-14 BUSINESS DAYS from the time we receive your order.
- Backup: We archive all orders for one year and access these files only at the request of the customer for additional copies in the future.
